Also, is there a draft host agreement out for the public, or just what is in my packet?

Thanks,  
Lou

That response letter is a public document at DEQ. Lonzo can request that document with or without TRC.

Thank You for requesting this.

Sincerely,  
Lou

I have not seen that letter. After talking with Lonzo, we were apparently not copied on the response letter from DEQ. Lonzo will contact TRC tomorrow about obtaining a copy. Thanks.

Steve,

I asked Lonzo about the letter from DEQ to TRC in response to the TRC letter of intent. Now I have no problem with either; however, that letter is not in the packet.

I'm disappointed that TRC did not send this information to the County Administrator for us, and I had no idea that it was NOT sent until I asked, and looked back at the letter (which I have).

**Have you seen that DEQ response?** I personally think the rest of the BOS should have it. I know we are on the Committee to see things that most do not, so would you allow Lonzo to get that letter for the rest of the BOS?

Your thoughts? Lou
