Sounds like some progress. Any movement on host fee? REMINDER...I am out of the country tomorrow through the 13th.

Subject: Agreement

Use Caution: This email originated from an external sender.

Good afternoon Gentlemen,

Steve and I met with NOVA on Friday and we added some additional conditions to the agreement (i.e. \$0.05 per ton dedicated to the Clinch River cleanup & air monitoring systems & other environmental conditions). NOVA is making these changes this week and I will send for your review.
