

FOIA RELEASE

REPORT TO THE RUSSELL COUNTY BOARD OF SUPERVISORS FOR THE REGULAR MEETING TO BE HELD ON MAY 2, 2022

Dated April 25, 2022

ATTORNEY-CLIENT PRIVELEGE

DO NOT DISSEMINATE

Board Members,

The following is a list of matters that I will be prepared to discuss and where necessary request approval of certain documents, resolutions and ordinances from the Board of Supervisors. Where the approval of one of the above-referenced documents will be requested I will attach that document for the Boards review. As always if any Board Member has any questions or concerns, please feel free to contact me to discuss prior to or the day of the meeting.

1. Resolution Regarding the Potential Private Landfill to be located in Russell County

- a. I spoke with Frank Kilgore on Friday, February 25, 2022 about the possibility of the Board passing a resolution regarding the above-referenced project. I told him I would review and include for the Board's consideration in this report.
- b. There is currently an ordinance that prohibits privately owned solid waste disposal sites in Russell County. I have discussed this with Lonzo and he advised if the Board does wish to amend the ordinance to allow for this project there are other areas that probably need to be amended as well.
- c. A meeting was held at my office on March 28th with Lonzo, Lou, Frank and John Matney to further discuss the specifics of what was being requested of the Board of Supervisors at this time. I have also researched the law and reviewed the host agreement that was used in Cumberland County. It is my suggestion that we need to have as much information as possible before we take a public stance on this project. At the conclusion of this meeting the recommendation from Lonzo and myself is to allow us to try to collect as much information before the continued meeting in April and further discuss this matter in closed session with the full Board. There are many scenarios and issues that we need to consider before agreeing to facilitate a 30 + year project that can have costly consequences.
- d. I am happy to discuss, at any time, with any Board member the information I currently have and my understanding of the law regarding this project.
- e. I have confirmed with Lonzo that we will be discussing this matter in executive session at this meeting under Va. Code 2.2-3711(A) (5) and (8) for prospective business and consultation with legal counsel. Lonzo and I have been working
